The Code of Conduct for the Protection of Children from Sexual Exploitation in Travel and Tourism (ECPAT founding organization)	An industry-driven responsible tourism initiative with a mission to provide awareness, tools and support to the tourism industry in order to prevent the sexual exploitation of children.		http://www.thecode.org/about/	
Sabre Passport to Freedom	Passport to Freedom is the <i>Sabre</i> ® signature corporate responsibility program to help fight human trafficking and provide support to victims and survivors. Our goals are to increase awareness and educate the travel industry on human trafficking issues, advocate for legislation change, and provide opportunities for leaders to collaborate.		http://www.sabre.com/index.php/about/corporate-responsibility/passport-to-freedom	
Truckers Against Trafficking	Truckers Against Trafficking (TAT) is a 501(c)3 that exists to educate, equip, empower and mobilize members of the trucking and travel plaza industry to combat domestic sex trafficking.		http://www.truckersagainstafficking.org/	
ECPAT USA	This training is a 30 minute course that provides hotel staff and managers with the information that they need to identify and respond to human trafficking and the commercial sexual exploitation of children (CSE). The training program will touch on the risks that human trafficking and CSE can pose to the properties, provides information of the signs and behaviors that could indicate child trafficking, and offers steps on how to respond to the situations in a way that minimizes the risk. Audio and video clips, interactive knowledge checks, and a 10 question quiz are all involved in the program. Program participants will be awarded with a certificate of completion upon the course's conclusion.	In- Person Training	www.ahlei.org/demos/ecpat/index.html	N/A

Blue Lightning- Department of Transportation and Department of Homeland Security "Blue Campaign" Program	Blue Lightning trains airline personnel to identify potential traffickers and their victims and then to report their suspicions to federal law enforcement. There is a computer-based training module and printed educational materials as part of the training. The large portion of the training is centered on the indicators that traffickers will display as well as the correct way to report their suspicions. The trainings will be facilitated by the airline with the training module and training materials provided by the Blue Lightning campaign.	In- Person Training/ Online Training- Webinars	www.cbp.gov/border-security/human-trafficking/blue-lightning	Law Enforcement and Travel
No Vacancy- Polaris Project	The presentation provides students with information about human trafficking in general as well as what trafficking statistics look like in the hospitality and travel field. The presentation highlights signs of human trafficking and touches on both sex and labor trafficking. The presentation concludes with action steps to take if someone does spot human trafficking and additional resources for further education. Taxis Against Trafficking - Stop The Traffik	Stop The Traffik has created a movement among taxi drivers. This movement and communication effort is to educate taxi drivers in communities across the country on the signs of human trafficking and how to handle a potential human trafficking situation.		http://www.stopthetraffik.org/campaign/taxis	N/A
Traffik Free Travel -Stop The Traffik	Stop the Traffik is campaigning to make travel trafficking free. This campaign is centered around two main objectives: Increased awareness and education for people working in the transportation industry about human trafficking, how to prevent it, how to spot it, and how to report it and to ensure that people in transit know the possible warning signs and where to go for help if they need it for themselves or a situation they observed.		http://www.stopthetraffik.org/campaign/travel	N/A
Responsible Business Program - Carlson	Carlson provides ongoing training for employees on how to spot human trafficking and what to do if they do encounter it. Carlson Wagonlit Travel has partnered with the State Department to	In- Person Training/ Ongoing Training- Business Specific		Travel

Airline Ambassadors- this organization also sponsors airport specific trainings by request	This online presentation is geared towards airline attendents and airport employees. The main purpose is to instruct these individuals on the signs of human trafficking and what to do in the	In- Person Training/ Online Training- Downloadable Presentations	airlineamb.org/our-programs/human-trafficking-awareness/aai-presentation/	Hotels -Hospitality
Identifying and investigating cases of forced labour and trafficking - International Labour Organization	The course is targeted at law enforcement agents, primarily labour inspectors, police officers, prosecutors as well as any other actors who are likely to encounter forced labour in the course of their work: health and safety inspectors, trade union officials, NGOs, and others. Trainees develop a better understanding of what is forced labour, how to identify it in practice, how to inspect work places and how to investigate cases in order to successfully prosecute offenders. A booklet has been produced to provide law enforcement officers with operational indicators of forced labour.
